The Friends of Yarmouth Council on Aging (FOYCOA) hopes you are in good health and staying safe. COVID 19 has been testing all of us with a new lifestyle that includes wearing masks and social distancing. As we emerge to the “new normal” FOYCOA is looking ahead with all intent on continuing to help you, our members, and the Yarmouth Senior Center provide and offer the little “extras”.

It is time for FOYCOA to have its annual Membership Drive. But due to the unusual situation this year, we are going to send out our membership drive material by email not by mail.

Our Membership Drive brings in the needed funds that has helped the Senior Center replace the outdoor patio, bought the storage shed, purchased and installed the barbeque grill and built the Bocce Courts. In addition, these donations have and will continue to support many entertaining programs, services, and activities that the Senior Center offers.

Attached is a membership form that you can complete and mail or drop off at the Senior center (528 Forest Road W. Yarmouth, MA 02673) The membership fee is \$15 per individual. The membership form is also available in the *Milestones* newsletter and the FOYCOA website (foycoa.org.)

Thank you for your important and valued support of the Yarmouth Senior Center.

Please continue to Be Safe and Stay Healthy!

Sincerely,

Raymond Petruccelli, President
